1. Certain claims were found unsearchable (See Box I)  2. Unity of invention is lacking (See Box II)  3. The application contains disclosure of a nucleotide and/or amino acid sequence listing and the search was carried out on the bas of the sequence listing  filed with the applicant separately from the application,  furnished by the applicant separately from the application,  but not accompanied by a statement to the effect that it did not include matter going beyond the disclosure in applications as filed  4. With regard to the title, X the text is approved as submitted by the applicant.  the text has been established by this Office to read as follows:  5. With regard to the abstract, X the text is approved as submitted by the applicant  the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure	X It is also accompanied by a	copy of each prior art document cited in this report.	ì
The application contains disclosure of a nucleotide and/or amino acid sequence listing and the search was carried out on the bas of the sequence listing  filed with the application  furnished by the applicant separately from the application,  but not accompanied by a statement to the effect that it did not include matter going beyond the disclosure in applications filed  With regard to the title,  the text is approved as submitted by the applicant.  the text has been established by this Office to read as follows:  With regard to the abstract,  the text is approved as submitted by the applicant  the text has been established by this Office as it appears in Box III  The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  Decause the applicant failed to suggest a figure	1. Certain claims were found	unsearchable (See Box I)	7
of the sequence listing  filed with the application  furnished by the applicant separately from the application,  but not accompanied by a statement to the effect that it did not include matter going beyond the disclosure in applications as filed  4. With regard to the title,  the text is approved as submitted by the applicant.  the text has been established by this Office to read as follows:  5. With regard to the abstract,  the text is approved as submitted by the applicant  the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure	2. Unity of invention is lacking	g (See Box II)	•
furnished by the applicant separately from the application,  but not accompanied by a statement to the effect that it did not include matter going beyond the disclosure in application as filed  4. With regard to the title,  The text is approved as submitted by the applicant.  the text has been established by this Office to read as follows:   5. With regard to the abstract,  The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure		closure of a nucleotide and/or amino acid sequence	listing and the search was carried out on the basis
but not accompanied by a statement to the effect that it did not include matter going beyond the disclosure in applications filed  4. With regard to the title,	filed with the applicat	ion	
4. With regard to the title,   the text is approved as submitted by the applicant.  the text has been established by this Office to read as follows:  5. With regard to the abstract,   the text is approved as submitted by the applicant   the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure	furnished by the application	cant separately from the application,	
the text has been established by this Office to read as follows:  With regard to the abstract,    the text is approved as submitted by the applicant the text has been established by this Office as it appears in Box III  The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure	1 F	inied by a statement to the effect that it did not include	e matter going beyond the disclosure in application
5. With regard to the abstract, X the text is approved as submitted by the applicant the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1 as suggested by the applicant. X because the applicant failed to suggest a figure	4. With regard to the title,	the text is approved as submitted by the applican	it
the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure		the text has been established by this Office to rea	ad as follows:
the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure			•
the text has been established by this Office as it appears in Box III  6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure			
6. The figure of the drawings to be published with the abstract is Figure No. 1  as suggested by the applicant.  X because the applicant failed to suggest a figure	5. With regard to the abstract,	the text is approved as submitted by the applican	at .
as suggested by the applicant.  X because the applicant failed to suggest a figure		the text has been established by this Office as it a	appears in Box III
because the applicant failed to suggest a figure	6. The figure of the drawings to be	published with the abstract is Figure No. 1	• •
		as suggested by the applicant.	•
because this figure better characterises the invention		because the applicant failed to suggest a figure	
Ţ		because this figure better characterises the inven	tion
